INTRODUCTION and GENERAL INFORMATION

The Speakers Circuit, sponsored by the Ontario Numismatic Association, is a free service available to ALL member clubs of the Association in Ontario.

It was originated for the purpose of promoting the study of various and associated phases of numismatics through lectures volunteered by competent speakers.

Proposed late in 1960 by Mr. Rod R. Rekofski of Kitchener and subsequently organized by him, it began operations officially on March 11, 1961 at the 2nd Annual Banquet of the first sponsor, The Waterloo Coin Society. The Speakers Circuit was handed over to the Ontario Numismatic Association at its founding convention on March 24 & 25, 1962 at the Waterloo Coin Society 3rd Annual Banquet at Kitchener.

There is no doubt that clubs and their members will greatly benefit from the lectures as the Speakers are well known and are authorities in their fields.

Any person willing to submit his or her name to the Speakers Circuit may do so. The areas covered will show that many speakers are located close to their home clubs but we wish to list anyone that will speak outside their own club. If you can suggest anyone please write the Director and he will contact the person directly. Only by listing all available speakers can we be sure to draw on the best and the most knowledgeable of our fellow collectors.

PROCEDURE TO OBTAIN SPEAKERS

1. Decide what subject you wish to hear about.
2. Pick out your choice of Speaker.
3. Note the "advance notice required" and write the Speakers Circuit Director one week prior to the lead time required by the Speaker.
4. The Director will forward your written request to the Speaker concerned and request him to advise you and the Director that he is/is not available.
5. If available, all further correspondence will be direct between Club and Speaker.
6. Clubs must note that any financial dealings are between club and speaker and not the O.N.A. If requested the club is expected to pay transportation costs and if overnight accommodation is required this would be arranged and paid by the requesting club.
7. A resume of numbers attending, speakers name, date of talk, etc., is to be submitted to the Director-Speakers Circuit following the meeting.
8. Any comments concerning the speaker or the Speakers Circuit are invited and should be mailed to the Director as follows:
Ken Prophet,
C.F.M.S.S.
Canadian Forces Base Borden,
Borden, Ontario.

This brochure is arranged in alphabetical order only and additions or deletions will be made as necessary.

New Speakers will be added as they become known to the Director of the Speakers Circuit.

Some speakers, although not available for listing in this brochure are available on special occasions. Please contact the Director of the Circuit if your special requirements for a banquet or exhibition speaker can not be obtained from those listed.

Speakers are also available from your local Police force and from the local detachment of the Ontario Provincial Police. These gentlemen make excellent speakers.

At the present time, other speakers will be available to the Speakers Circuit sometime in the Fall of 1972 and these names will be added in due course.
